Re: United States v. Philip Kenner and Tommy Constantine
Criminal Docket No. 13-607 (S-2) (JFB)

Dear Judge Bianco:

The parties respectfully submit this letter to request a modification of the briefing and oral argument schedule in connection with the defendant's post-trial motions, due to the length of the trial record and the post-trial briefing in this case. On April 4, 2016, the government, with the defendant's consent, filed its response in opposition to the defendant's post-trial motions. The defense requests, with the government's consent, a due date of May 12, 2016 for its reply. In addition, the parties are available on May 26 and May 27, 2016 for any oral argument on the motion. The defense requests oral argument. The parties appreciate the Court's consideration of this and prior requests.

Respectfully submitted,

ROBERT L. CAPERS
United States Attorney
